**Journey into the oral cancer patient's firsthand
account of surgery, treatment, and the emotional
trauma of losing everything you live for.
You don't just hear a story, you experience it.**

"I am a better clinician because of Eva's story."
Jenna Hebert, RDH Boston MA

"Eva's candid disclosure was absolutely humbling and should be
mandatory CE."
Andy Gilbert, DMD, MAJ, US Army Dental Corps HI

"I have never heard a more truthful and powerful message."
Donna Sisitsky, RDH Washington DC
